POWERALL

Great Gift Items!

PORTABLE POWER BANK - BATTERY JUMP STARTER - LED FLASHLIGHT

Use PowerAll as a Portable Battery Charger When On The Go.
A great travel companion with two 5 Volt USB ports that will charge two separate devices simultaneously. Use it to charge all of your electronic devices, such as smartphones, tablets, cameras, camcorders, GPS unit, MP3 players, wireless headphones, and portable gaming systems when on the go.
PowerAll includes 8 different charging adapter plugs to fit most of the popular portable electronic devices.

Car Jump Starter
Simply take your PowerAll with the jumper cables and connect the clamps to your car battery and start it in a matter of seconds.
Jump start your car battery 20 times on a full charge.
PowerAll comes equipped with its own jumper cables, AC and DC chargers.

Portable LED Flashlight
The ultra-bright LED flashlight has 3 illumination modes; a flashlight, a strobe light to attract attention and an SOS signal flash that will last up to 120 hours for when you're outdoors and in need of emergency help.
