

CHARLES E. GRASSLEY

U.S. SENATOR

Aug 17, 2015

Hilltop Tire, Downtown:

To: all the employees & especially Loren Holt.

you really helped me. I seldom have flat tires. But, I had one in Des Moines last week. I had to leave it downtown. I was fully (I mean fully) scheduled the next day. What do I do?

Thank God your business was able to help. You came to my car, took tires off, fixed them & put them back on. So helpful! I consider it an answer to Prayer.

Thank you very much!

Sincerely
Chuck Grassley
your Senator
