Dear NETSA Members:

Our Scholarship Committee is excited to inform you and your employees of our 2016 academic scholarships. This year, NETSA and our Scholarship Sponsors are awarding **Eighteen \$2000 Scholarships**.

Your employees, their spouses and dependents are eligible to win one of these wonderful scholarships. The employee must have worked for your company at least two years and the applicant must be attending an accredited 2 or 4 year college, university, or secondary technical college during the next school year.

We've enclosed some informational flyers to promote the benefit you are offering as a member of NETSA. Many companies are copying the flyers and inserting them with their employees' paychecks. Others are putting the flyers next to the time clock.

**Applications must be postmarked to NETSA by March 31, 2016**, and we usually have over 40 apply each year. So, please alert your employees as soon as possible!

Thanks,

Dick Cole - NETSA Executive Director

Tom Ferguson – Safehold Special Risk
