

Hurry! Hurry! Hurry!

6th Annual Free Brakes for Food

We are collecting food for Addison County Hope and are willing to bribe you!

FOOD

FOR FREE BRAKES

Yes, we start off with a *Free Brake Inspection and Free Brake diagnosis*. If you need brakes, we provide *FREE Premium Centric Brake Pads and \$34.50 off the Labor to Install the Pads*.

All you have to do for your **FREE BRAKE INSPECTION** is bring a bag of **12 non-perishable food items** for this fine organization!

Is the Brake Job Going To Be Absolutely Free?

Of course not - BUT - this is the Best Deal you will get anywhere! You get Free Premium Centric Brake Pads and part of the labor to install them, then you pay for any other brake parts and other work needed with County Tire Center's quality work and service, and you help out Hope of Addison County.

Why Not Totally Free?

No Cost Jobs would require us to use cheap parts and to do what we call in the industry a "pad slap" - throw on cheap pads as quickly as possible and not look at the rotors, calipers, master cylinders, brake lines and brake fluid. Cheap brake jobs have possible safety concerns, have a short life span, give poor performance, are noisy, plus they cost more in the long run! **WE DO NOT DO "PAD SLAPS."**

How Can You Give Such Big Discounts?

We partnered with our Part Vendor and the Brake Manufacturer. They provide the brake pads, we provide part of the labor, and you provide the food! This is why we can only offer FREE Brakes for a limited time. You will save anywhere from \$150-\$375 depending on make, model & work needed.
