3 Yr. Plan

Peace of Mind Tire Protection Plan

Our plan, called the **Peace of Mind Tire Protection Plan**, will cover problems such as road hazards and defects other than mechanical problems from the moment of purchase for the life of your tires. Run over something in the road - your tire is ruined! Or how about a tire that becomes defective? We will put a new tire on for the cost of mount and balance.

Here is the plan

If a tire is covered by the **Peace of Mind Tire Protection Plan** fails due to a defect, (not mechanical) or an unrepairable road hazard, and still has (3/32") or more tread wear, Tire & Muffler USA, Inc., will replace it. You only pay mount and balance. At the end of three years, **NO COVERAGE WILL BE CONSIDERED**. No prorating, no mileage adjustment, and no disqualification for any reason. With this plan, you can drive with peace of mind.

How to purchase the plan

Your salesman will offer the **Peace of Mind Tire Protection Plan** warranty with your new tire purchase. You have up to 30 days from the date of sale to buy the plan, or purchase it at the time of sale and have **Peace of Mind** coverage now.
