PENTECOST

Did you know that the feast of Pentecost is often referred to as the birthday of the Church? It is called that because Pentecost is when the apostles went out among the people and began spreading Jesus' message, thus establishing the beginning of the Church.

Pentecost (Greek for *50th day*) is celebrated by Christians 50 days after Easter and marks the day that the Holy Spirit descended upon the apostles while they were cowering and hiding behind locked doors following Jesus' resurrection. After receiving the power and gifts of the Holy Spirit, the apostles immediately went out and preached Jesus' message to everyone—even those who spoke other languages.

Actually, Pentecost was originally a Jewish feast that concluded the 50 days of Passover and celebrated the end of the barley harvest, plus the beginning of the wheat harvest. The Jewish people at Pentecost also celebrate the gift of the law to Moses at Mt. Sinai. The symbols of Pentecost are wind, fire and a dove.
