- ✓ BEST PRICING
- ✓ BEST SECURITY
- ✓ BEST ACCEPTANCE

The CFN Mobile Locator is the official application for the CFN FleetWide fueling network. The application allows users to find CFN FleetWide accepting locations using their current GPS coordinates or city and state.

1. Enter: City and State or click the LOCATE ME icon.
2. LOCATIONS: click on CFN Cardlock and CFN Retail to select only in-network sites for the best **pricing**, best **security**, and best **acceptance** for cards with the CFN logo.
3. Uncheck CFN Cardlock and CFN Retail to show more when necessary: FleetWide sites on the Fuelman network.
