STANDARD OFF THE ROAD RETREADING WARRANTY

LIMITED WARRANTY

Tire sizes 49 inch and below

Every retread we process bears our company identification and is guaranteed to be free from defects in material and/or workmanship for a period of five (5) years from date of manufacturer. If your casings fails, after the cap is 50% worn, there is no warranty. There is no warranty on a purchased cap and casing after 50% wear. If Purcell Tire determines that a retread has failed under the conditions of the warranty, Purcell Tire will, in its sole discretion, either repair the tire or make a reasonable allowance prorated on a percentage of tread wear. This adjustment policy is limited because any retread tire may fail in service or otherwise become unserviceable due to the conditions beyond the control of the manufacturer such as, but not limited to, mechanical condition of the vehicle, improper tire maintenance, road conditions, etc.

Tire sizes 51 inch and above

All eligible 51, 57, and 63 inch retreading and repair products produced by Purcell Tire Company are warranted to be free from defects in material and/or workmanship. This limited warranty applies only to 51, 57 and 63 inch retreading and repairs provided to companies whose specific tire applications have been approved by Purcell Tire Company Mine Group in writing. If upon Purcell Tire Company inspection, a retreads determined to have failed under the terms of this warranty, Purcell Tire will either repair the tire at no charge or make a prorated allowance based on the tread depth remaining and the average tread depth at wear out for out of service tires.

Repairs

OTR tire repairs are warranted for a period of twelve (12) months from date of manufacture

Foam / Solid Tire Warranty

Recapped Foam Fill and Solid Tires are warranted through the first 20% of tread wear, regardless of age or length of time in service. If a casing / core fails after the first 20% of tread wear, there is no warranty. We assume no liability for foam in tires which we retread. It is recommended that all foam fill tires be "recharged" by the customer after being retreaded. We assume no liability on tires rejected after having been buffed. New Solid Tires are warranted to be free from manufacturing defects.

GENERAL INFORMATION

STOCK CAP AND CASING

Off the road casings are available. Please call for current pricing.

ACCESSORIES

O' Rings - Valve Hardware - Wheel and Rims

RETURN POLICY

- All returns must have proper approval
- Special order tires are not returnable
- A minimum restocking fee of 10% will apply
