ATDA, along with several other state and national associations, collaborates with the University of the Aftermarket Foundation (UAF) Scholarship Committee. Through this cooperative effort, students are able to complete one online application at www.automotivescholarships.com/ATDA and receive consideration for the ATDA and the UAF scholarships and other industry awards.

Because of the generosity of ATDA members and friends of the association, scholarships are awarded annually to members, their employees and/or their family members to assist in their pursuit of a higher education. To date, ATDA has awarded over \$288,000 in scholarships. More information is available at www.alatiredealers.com.
