

Castrol PREMIUM LUBE EXPRESS™

Castrol® EDGE® with Titanium FST™

\$64.99

- Engineered with Fluid Strength Technology (FST) which contains a proprietary liquid titanium molecule that delivers superior levels of performance
- Strongest dispersants to fight power robbing deposits
- Strongest oxidation control to provide longest wear protection
- Lowest volatility to maximize performance during the entire drain interval
- dexos1™ performance requirements in 5W-20 and 5W-30 viscosities*

* dexos1 is a trademark of General Motors Company. Use recommended viscosity grade.

Castrol® EDGE®

\$54.99

With SYNTEC® Power Technology

- Provides low volatility to keep the engine running at peak power longer
- Exclusive Castrol molecule suspends particles, helping the engine to perform at its peak longer by fighting power robbing deposits
- dexos1™ performance requirements in 5W-20 and 5W-30 viscosities*

* dexos1 is a trademark of General Motors Company. Use recommended viscosity grade.

Castrol® GTX® SynBlend

\$34.99

Formulated to provide superior short-trip protection^{1,2}

- Unsurpassed protection against engine wear¹
- A higher level of thermal stability vs. conventional oils
- Maximum viscosity protection
- Protection against harmful deposit build-up²
- Now meets dexos1™ performance requirements³

1 In Sequence IVA wear test 2 In Sequence VG sludge test 3 In 5w-30 grade only.
dexos1™ is a trademark of the General Motors Company

Castrol® GTX® High Mileage

\$34.99

For vehicles with over 75K miles

Helps extend engine life by providing:

- Superior detergency that fights deposit build-up*
- Seal conditioners to help reduce leaks
- Advanced additives that minimize engine wear

* As measured in Sequence VG sludge test

Castrol® GTX®

\$24.99

- Unique TriShield™ technology actively protects against particles that build-up in car engines with the most advanced deposit-fighting ingredients
- Ultra-low friction to improve gas mileage*
- Provides the highest North American standard of protection against viscosity breakdown
- Unsurpassed protection against thermal breakdown among leading oils

* In 5W-20, 5W-30 and 10W-30 grades

Up to 5qts, conventional oil filter included, tax not included

TRUSTED CARE FOR YOUR CAR™
